All other Junior Members	85.00	85.00	10	8.50	85.00

Discounts

The first member of each household or family group must be a Senior member paying the full membership fee.

A discount is then applied to all other members of the same household or family group:

- Senior Member Discount: £50
- Junior Member Discount: £30

The applicable discount is deducted from each additional member's membership fee after the first full-paying Senior member.

Instalments

Club membership fees can be paid by instalments. Targetcraft's policy is that membership fees are paid over 10 equal monthly instalments, starting from the month your membership begins.

For example, if your membership starts in October, your first payment will be due in October and your tenth and final payment will be due in July.

Membership is based on a commitment to the full membership year. If instalment payments are not kept up to date, the club may ask you to leave the club and may pursue legal action to recover any outstanding fees.

If you are paying membership fees for multiple members, please make separate payments for each member where possible. This makes it much easier for the club to reconcile payments against individual members.

AGB / EMAS / NCAS Fees

From this year, Archery GB (AGB) will collect the East Midlands Archery Society (EMAS) and Northamptonshire County Archery Society (NCAS) affiliation fees are paid as part of your AGB membership payment.

As the AGB, EMAS, and NCAS fees are paid directly to AGB, there is no difference in the total cost between Full Membership and Associate Membership.
